Leadership Summit 2016 will bring established, new, and aspiring New Hampshire leaders together to discuss:

“Strategies to Successfully Grow Relationships”

Attend the Summit to

Learn different approaches to grow relationships with customers, employees, the community, and other key stakeholders

Identify the approaches that work for you and how to develop or enhance them for your benefit

This Summit is for anyone who wants to become a more effective leader. Attendance is limited to ensure that participants can address the key issues that are important to them.

Leadership Summit 2016 Agenda

See www.gsqc.com for more information

Keynote: Walt Havenstein. As a CEO, engineer, United States Marine and 2014 candidate for Governor of New Hampshire, Walt understands how important relationships are to both your business and career success. He will share his leadership strategies to cultivate strong relationships in the private, non-profit and public sectors to enrich your own leadership style.

Panel: Our Panelists represent diverse experiences, industries, and backgrounds. They will provide insights on how they build relationships and discuss the key issues and questions from the audience.

Maureen Beauregard
President & Founder
Families in Transition

Alexandra Horton
Owner, Café la Reine

Buddy Phaneuf
President, Phaneuf
Funeral Homes
& Crematorium

Discussion: Working in small groups, participants identify their own best practices and strategies to build relationships, incorporating key inputs from Walt and the panelists.

Networking Reception: Continue the networking and discussion in a relaxed environment
