

As President of Jedox Inc., **Dr. Liran Edelist** leads the company's mission to build upon its leadership position in the growing Corporate Performance Management (CPM) market. Jedox empowers business professionals to easily capture data, share knowledge, and align on common goals across the organization – focusing on better insight, not bigger data.

Liran has over 20 years of first-hand experience with financial and strategic planning technologies, in both public and private sectors.

Prior to joining Jedox, Liran served as founder and CEO of TopIT, where he developed a unique CPM practice with over 100 projects globally. Liran merged his company with Actiview, which later was acquired by Yael Group – a leading global IT vendor.

Dr. Edelist holds a PhD in Business Administration and an MBA with Information Systems as a major focus. To learn more about Liran, visit his [LinkedIn page](#).
