

## Shift from Chaos to Flow

Beverly Parent & Viktor Kobzar

- **Introduction to Kanban:**
  - Background on Kanban
  - Overview of the board
- **Demonstration:**
  - What is chaos for business leaders?
  - The Kanban board
    - The connection to Lean: Ensures flow, and is friendly to Agile change management and control.
  - The Modern Agile concept
    - Deliver value continuously
    - Experiment and learn rapidly
- **Conclusion:**
  - Identify how the values of the Kanban board link to and address the three reasons for chaos.
